

2022 **Lost Poet**®

Rosé Wine

California, USA

We are proud to partner with author Atticus, a young anonymous writer whose love of wine inspired him to work directly with our Winemaker to create Lost Poet. You can't help but feel the blush of romance when you discover this poetically-inspired rosé. As bright and flirtatious as a new-found crush, you'll fall in love with this wine's fresh citrus and floral notes, an intoxicating marriage that draws you back to the glass over and over again. Hints of melon and red berry only add to the appeal, as this bottling is so much more than surface level. It's a joyful example of the heights California rosé can reach.
