

## 2022 Wonders™

### Rosé Wine Blend

France

---

We believe that making healthier choices shouldn't mean giving up taste, which is why we made Wonders. The proof is in the bottle, as this Syrah comes from a perfectly situated, organically farmed vineyard in France. It's made in a minimal-intervention style and you can taste the quality from the first sip to the last. In addition to a healthy serving of old-world je ne sais quoi, you can expect notes of fruit like red berries and citrus as well as aromas of gooseberries and raspberries. With Wonders, you can really have it all – it's the perfect companion for all life's adventures.
