

SUMMER WATER®

NV Summer Water® Bubbly

France

Winemaking Description

Summer's not over yet! We are proud to introduce Summer Water Bubbly, the newest member of the SW family. Unlike any Summer Water you've seen (or tasted) before, this wine is just as crisp and delicious as the original, but with a celebratory twist. This French Sparkling Rosé is made in the Charmat method and is refreshing, light and dry, with notes of elderflower, lime, strawberry, and watermelon. Bubbly and fun, this bottle promises to enhance all your sunny day activities.
